

# What's the answer? $25 \div 7$

1. I have \$25. Each hanging basket costs \$7.  
How many plants can I buy?
2. On a field trip, we plan to take 1 adult per 7 children. If 25 children are going on the trip, how many adults should go?
3. A trip from Washington to Georgia took 25 days. How many weeks did the trip take?
4. A student earned \$25 for 7 hours of work.  
How much did the student earn per hour?
